

Employee Leave Policy (HR-POL-004)

This policy applies to all permanent employees of the company. It explains annual leave, medical leave and the approval route.

Annual leave entitlement depends on length of service. Employees with less than two years of service receive 14 days of annual leave per year. Employees with two to five years of service receive 18 days. Employees with more than five years of service receive 22 days.

Section 2: Carry-forward and encashment

Unused annual leave may be carried forward to the next calendar year up to a maximum of 5 days. Carry-forward must be approved by the head of department before 31 December.

Carried-forward leave must be used by 31 March of the following year, otherwise it is forfeited. Annual leave cannot be exchanged for cash except upon resignation.

Section 3: Medical leave and approval route

Employees are entitled to 14 days of paid medical leave per year supported by a medical certificate from a registered clinic. Hospitalisation leave is up to 60 days per year.

Leave applications must be submitted in the HR portal at least 7 days in advance. Executives are approved by their direct manager. Non-executive staff are approved by the section supervisor and then verified by HR.
